## EROS ISSUE

Welcome to NUDE Magazine  
issue #26

Hello, and welcome back for yet another killer issue of Nude Magazine. In Nude #26 we take a trip through one of my personal favorite genres of nude photography, Eros. In the pages to come our featured artists have done such an elegant job of sharing intimate moments combined with some alluring fashion that is sure to leave your jaw dropped.

I do believe that once you have finished flipping through, you will be left with a feeling of fiery sensuality combined with a new appreciation of Eros styled nude art that will hopefully inspire your works to come and leave an everlasting impression on you.

From all of us at Nude Magazine we appreciate each and every one of you, from the contributors to the fans- without you we couldn't make this possible. Thank you for helping us share the beauty of fine nude art with the world.

Esha

PLUS MANY MORE UNAMED ARTISTS.

Much akin to the love story of Eros, where there is possession fueled by passion, the photography within these pages are deliciously, tangibly, texturally sensual. Touching on erotica with a subtle evocation of mood, simply by a matter of lighting.

Each turn of the page not only aims to shatter taboos of eroticism through a beautiful aesthetic of the subject, but also to enable us to confront one's own Eros, looking beyond gender and sexual orientation. In a world in which sex is available with a swipe of a finger and has become omnipresent – what is the significance of eroticism? Perhaps it is a visual moment captured that uses images to demonstrate a subject or emotion, like a poem.

What lips my lips have kissed, and where, and why,

I have forgotten, and what arms have lain

Under my head till morning;

but the rain

Is full of ghosts tonight, that tap and sigh

Upon the glass and listen for reply,

And in my heart there stirs a quiet pain

For unremembered lads that not again

Will turn to me at midnight with a cry

I invite you to gently widen your lens to a benignly pleasurable realisation of voyeuristic fantasies and create your own Eros.

Much Love, Sidonie
